MACHINE**

About Us

J & D Industries entrenched its roots in the market with the primary goal of offering the highest quality machines like Roll Packing Machine, Slitting Rewinding Machine, Heavy Duty Slitting Machine, Rewinding Machine, Inspection Machine, Paper Printing Machine etc. that mainly find usage in the packaging industry. Achieving maximum client satisfaction is the aim of our company that has remain constant since inception. Keeping customers happy enables us in maintaining long lasting relationships with various industry leaders. As a manufacturer and exporter, we believe that the goals of a company are met through diversification, dedication, passion, agile marketing and management strategies. Each one of these is useful in promoting valued client relationships. By following all these, we are outshining ourselves with each passing year in the domain of machinery making while achieving an annual turnover of INR Eighty Lakhs.

J & D Industries owns an infrastructural base that is equipped with all the necessary resources, be it state-of-the-art technology or advance tools for engineering our top-of-line machines such as Controlling Equipment, Doctoring Inspection Machines, Roll Packing Machine, All Type of Slitting Machine, etc. Each and every employee of our Ahmedabad (Gujarat, India) based company believes in innovation and bringing the best to the table. With the assistance of our innovative minds, we have established long lasting relationships not only with the boundaries of our nation, but overseas. Other reasons that makes us special is our strict adherence to ethical business practices. 50% of our total produce is exported to overseas.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	slicer machine,perforating machines,paper core cutting machine,adhesive tape cutting machine,tape cutting machine,Power Pack Units,Web Guiding Systems,Masking Tape Cutting Machine,PVC Tape Cutting Machine,Bopp Tape Cutting Machine
No of Staff	12
Year of Establishment	1993
OEM Service Provided	Yes
Memberships	QRO, EGAC, IAF
ProductRange	slicer machine,perforating machines,paper core cutting machine,adhesive tape cutting machine,tape cutting machine,Power Pack Units,Web Guiding Systems,Masking Tape Cutting Machine,PVC Tape Cutting Machine,Bopp Tape Cutting Machine

Our Products

Surface Type Slitting Rewinding Machine

BOPP Paper Core Cutting Machine (Semi Automatic)

Non Woven Slitting Rewinding Machine

Kraft Paper Slitting Rewinding Machine

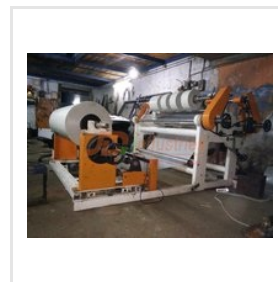

Fabric Slitting Rewinding Machine

Light Duty Kraft Paper Slitting Rewinding

Film Slitting Rewinding Machine

Milky White Film Slitting Rewinding

Roll Slitting Machines

Bopp Film Slitting Rewinding Machine

Polyester Film Slitting Machine

PVC Film Slitter Machine

Fabric Slitting Machine

Heavy Duty Slitting Rewinding Machine

Semi-Automatic Paper Core Cutting Machine Model 2

Semi Automatic Paper Core Cutting Machine Model 1
